RE: July Monthly (06/01/01 - 06/30/01)

Dear Ms. Kang:

A recent review of the July Monthly report, raised a question about filing reports electronically and filing paper copies. The July Monthly report includes a Schedule E filing that requires that the treasurer's signature be notarized. It is our understanding that if your report has Schedule E reportable items, the reporting committee must file electronically and provide paper backup with original signatures and a notary seal. The above referenced report was sent to the Federal Election Commission on July 26, 2001 to support the signature requirement of the electronically filed report and should not be treated as an amendment. The practice of treating the required paper backup as amendments to the electronically filed reports has become confusing, as evidence of this inquiry and a prior inquiry dated July 18, 2001.

A copy of the "FEC Financial Disclosure Filing Acknowledgment" confirmation pages for the July Monthly electronically filed reports are included. If you have any questions, please call me at (703) 267-1155.

Sincerely,

Mary Rose Adkins
Treasurer
